GABRIELLE BANIQUED

Fort Washington, MD · 301-751-7970
ollergabrielle@gmail.com · linkedin.com/in/gbaniqued · gabbley.github.io

A motivated and team-oriented individual with 1 year of professional experience working remotely in an Agile environment and 5 years of leadership and management experience. Proven ability to work interdepartmentally with significant time and resource constraints. Seeking opportunities in data analysis, UX/UI research, or software development.

EXPERIENCE

JUN 2021 – MAY 2022
DATA ANALYST INTERN, MENTOR COLLECTIVE

- Improved marketing strategies by building live reporting dashboards and writing a summary detailing the most and least effective Email and SMS campaigns.
- Increased work efficiency by teaching the Product Team to query and visualize data without assistance from the Engineering Team.
- Increased accessibility of queries and data visualizations for nontechnical employees by updating labeling and adding filtering features.
- Interacted with stakeholders, both technical and nontechnical, to build and fine-tune reporting dashboards according to their evolving specifications and needs.

EDUCATION

AUG 2018 – MAY 2022
BACHELOR OF SCIENCE, UNIVERSITY OF MARYLAND AT COLLEGE PARK

With a Data Science Focus and a Minor in Sustainability Studies
Relevant Coursework: Human-Computer Interaction, Data Science, Machine Learning, Database Design, Advanced Data Structures, Design and Analysis of Computer Algorithms

SKILLS

- Microsoft Office/Google Suite
- Data Visualization in Metabase
- SQL (PostgreSQL, MySQL)
- Data Scraping and Data Cleaning
- Scripting Languages (Java, Python)
- Knowledge of UI/UX and HCI Concepts

COMMUNITY ENGAGEMENT

MAR 2017 – PRESENT
YOUTH MINISTER AND MISSION VOLUNTEER, COUPLES FOR CHRIST USA

- Organize the return to in-person events by organizing regional conferences and retreats for teen and young adult Catholics.
- Promote national and regional events through social media and email campaigns.
- Managed the photo/video teams for the annual national youth conference (2017-2019).
